About the Program

LEADERSHIP CAMPOWERMENT

A True Leadership Retreat

Great leaders and leadership teams need time away together to build stronger relationships and focus on important leadership team dynamics, as well as key issues & opportunities for positive change.

The purpose of this CAMPOWERMENT, is to get away for a while from the classical working environment and strategize, leave behind the distractions and the pressures, and think big about the future.

In addition to that, this CAMPOWERMENT aims also to empower women from all walks of life and work; to take a quantum leap forward. This program is designed for great leaders and empowered women. Each experience creates a safe space for the participants to push past the edge of their comfort zone, unleash their leadership characteristics, enhance their individual and team skills, and reflect all of those on their individual and organizational purpose.

Infused with leadership, friendship, teamwork spirit, effective communication, companionship, fun and entertainment, and stress-free and work life balance grounding lessons. ThisCAMPOWERMENT is an incubator for Leaders and women of change who, together, become unstoppable.

CAMPOWERMENT Learning Outcomes:

- Anticipating the future and developing methods that minimize the effects of being blindsided by change and challenges.

About Bosnia & Herzegovina

Bosnia and Herzegovina, located on the Balkan Peninsular, was previously part of Yugoslavia however, gained independence in 1992. This fascinating country has a deep history of being ruled and overcome by other countries and cultures. The country is most captivating for its East-meets-West surroundings, which has been blended with Ottoman and Austro-Hungarian pasts. With an abundance of medieval ruins, unique towns and cities, stunning mountains, waterfalls and rivers, Bosnia and Herzegovina has plenty of major drawcards for all travellers.
