CERTIFICATE PROGRAMS

برامج الشهادات الدولية المعتمدة من ATD

ATD Oman Conference provides you a full week of learning where you can bundle with one or two of the following globally recognized ATD Certificate Programs

يقدم مؤتمر ومعرض ATD عُمان أسبوعاً متكاملًا من التعلّم، حيث يُمكن للمشاركين الجمع بين حضور المؤتمر، والانضمام إلى واحد أو أكثر من برامج الشهادات العالمية المعتمدة من الجمعية الأمريكية للمواهب (ATD)، لتعزيز خبراتهم ومهاراتهم في مجالات حيوية.

Explore how artificial intelligence is transforming talent management, including applications in recruitment, learning, and performance management.

Discover how artificial intelligence is revolutionizing the way organizations attract, develop, and retain talent. This certificate program provides a comprehensive overview of AI-driven strategies and tools that are reshaping modern talent management. Participants will explore how AI enhances end-to-end recruitment processes, from sourcing and screening to matching candidates with roles more accurately and efficiently.

The program also examines how AI personalizes learning pathways, supports continuous skill development, and enables data-driven performance management. Through real-world case studies, practical demonstrations, and hands-on exercises, learners will gain the skills needed to evaluate, implement, and optimize AI solutions within HR and talent development functions.

Creating Leadership Development Programs Certificate

Prepare top performers at all levels in your organization to take on management responsibilities through high-impact leadership development programs

Design and implement transformational leadership development programs that nurture high performers and prepare them to take on new roles within your organization. Take your leadership initiatives beyond individual training events and build the foundation for a holistic leadership development process that begins by laying the groundwork and partnering with senior executives.

The ATD LEADS model, an exclusive model based on industry-leading research and best practices, serves as the foundation for the course. Using the model as a guide, we will explore all the components necessary to build a successful program, from establishing organizational readiness and analyzing various assessment models to evaluating leadership competencies and behaviors and their relationship to your organization's workforce needs. Six case studies allow you to learn from other organizations that have implemented leadership development programs. This course addresses identifying candidates and designing developmental opportunities, including creating learning events. You will also learn how to sustain programs by demonstrating their impact on the bottom line.

Coaching Certificate

Use coaching skills to enable employees and clients to succeed by leveraging their own natural strengths.

Coaching is one of the most powerful leadership skills. When used effectively, coaching can help the individuals, teams, and organizations you support grow, develop, and achieve their potential. This foundational coaching course introduces the ATD Coaching Model, a six-phase process that you can apply to formal organizational coaching engagements, or to your everyday communication toolkit.

In this two-day program, you will learn core coaching competencies, skills and tools, and have an opportunity to apply them in practice coaching conversations, receiving feedback from an expert facilitator and your peers. This course will improve your ability to assist your coaching clients, internal or external, to set goals and take action to achieve them.

The Coaching Foundations Certificate is a two-day version of the comprehensive three-day Coaching Certificate. Fundamentals programs are ideal for participants and organizations who need to upskill quickly on the basics of core talent development concepts.

التدريب التوجيهي (الكوتشينج) الفعّال هو أحد أقوى مهارات القيادة. يزوّدك هذا البرنامج بأساسيات نموذج الجمعية الأمريكية للمواهب (ATD) للتوجيه، ويمنحك فرصة لتطبيق المهارات في جلسات عملية مع خبراء ومشاركين آخرين. ستتعلم خلال هذا البرنامج كيف تساعد الأفراد والفرق على تحقيق أهدافهم عبر استثمار نقاط قوتهم الطبيعية.

Fundamentals of Needs Assessment

Quickly learn how to add this vital step to your talent development process.

Conducting a needs assessment is an essential task to create targeted learning solutions that achieve desired outcomes for both individuals and organizations alike. A thorough needs assessment can reveal the root of the issue, what potential solutions could look like, and what the requirements are of a successful solution

This foundational course introduces you to the critical elements of conducting a thorough needs assessment—from identifying the right data to gather, to effectively collecting and analyzing it, to reporting out to stakeholders. Gain access to an ATD-exclusive methodology and tools that you can use immediately for any type of learning solution, regardless of size, scope, or organizational landscape

The Fundamentals of Needs Assessment Certificate is a one-day version of the comprehensive two-day Needs Assessment Certificate. Fundamentals programs are ideal for participants and organizations who need to upskill quickly on the basics of core talent development concepts.

تعلم كيف تُضيف خطوة أساسية إلى عملية تطوير المواهب عبر إجراء تقييم شامل للاحتياجات. يزودك هذا البرنامج بمنهجية وأدوات حصرية من الجمعية الأمريكية للمواهب (ATD) لتحديد جذور المشكلات، اقتراح الحلول المناسبة، وتحقيق نتائج ملموسة. هذا البرنامج مثالي للمؤسسات والأفراد الذين يحتاجون إلى اكتساب المهارات بسرعة في مجال تصميم الحلول التعليمية والتدريبية بما يتوافق والاحتياجات الفعلية للمؤسسة.
